To Whom It May Concern:

The 2023 – 24 school year at Oakdale High School is already in full swing and winter & spring sports are quickly approaching. This year the 2023-24 squads will once again be competing in the Valley Oak League (VOL). We would like to make sure we are fully prepared to take on such tough competition. Our goal is to reach playoffs, which is an intense battle that requires essential resources. To do this, we need your help & support! Every year our budget for equipment, uniforms and other necessities lowers, while the cost of maintaining our program increases. This is the main reason why we are stepping up our fundraising campaign and reaching out to the community for support. Hopefully with your help, our fundraising efforts will be a success!

➔ How can you help? We have advertisement signs located in the gym ready for you to advertise and promote your company or organization.

**Location:** Signs are located in the big gym at Oakdale High School

**Cost:** **OPTION #1** → \$500 for one year (includes the sign), **OPTION #2** → \$200 for one year (company/organization provides the sign), **OPTION #3** → \$1500 for seven years (includes the sign)

**Renewal Fee:** \$200 to renew each year (includes maintaining the existing sign)

**Duration:** Your advertisement (sign) will be in the gym from July through the end of July the following year. You will have the option to renew at the beginning of August.

**Size:** Signs are approximately 3' x 6'

If you choose to donate, please contact me as soon as possible! (562) 301-1752

If you will need the sign made, please send your logo/design to: [knasrawi@ojusd.org](mailto:knasrawi@ojusd.org)

Thank you in advance for supporting Oakdale High School athletics, especially our girls basketball and boys volleyball programs! We hope to see you on the court! GO MUSTANGS!
